Academic Policies

Students are required to read the syllabus for the course to better understand the faculty member's policies regarding such matters as attendance, absences, grading, and examinations. Students are held accountable for this information.

Class Attendance

Students are expected to attend all their scheduled classes. For eLearning classes, students are expected to regularly log in to access the class website and participate in the course according to the schedule of events outlined by the faculty/instructor. Any class session or activity missed, regardless of cause, reduces the opportunity for learning and may adversely affect a student's achievement in the course.

Specific attendance and grading requirements for each course are stated in the respective course syllabus. These requirements may vary from course to course, and it is the student's responsibility to read and adhere to the attendance policies set forth by each class faculty/instructor. **Students must read and adhere to the course syllabus requirements regarding class absences and examinations.** Students should seek any needed clarification from the class faculty/instructor. The College policy of reinstating students who were dropped for financial aid reasons or due to College error shall supersede individual faculty/instructor's attendance policies.

When officially representing the College, or attending a College sponsored event, such as a field trip or intercollegiate competition, students shall not be counted absent, provided their faculty/instructors are given prior notification and any missed assignments are subsequently completed. Students will be granted excused absences in the case of a substantiated emergency, such as a confining illness, a serious accident, the death of an immediate relative, or a religious observance. (See religious observances, [page 17](#).) Faculty/instructors decide on the validity of the excuses and provide opportunities for students to complete any required makeup work. Students are responsible for immediately informing their faculty/instructors when they must miss class sessions for emergencies.

Academic Dishonesty

Palm Beach State College considers Academic Dishonesty, as defined in the Student Code of Conduct in this Handbook, to be a serious issue. As the College and its Faculty understand that students may not fully appreciate what academic dishonesty means the following has been adopted in the hopes of educating students when an infraction is committed for the first time.

Students accused of Academic Dishonesty for the first time are bound by the syllabus of the course in which the infraction occurred. Should a student feel that they have been wrongly accused they can appeal the result to the Academic Hearing Committee by emailing the Associate Dean responsible for the course and requesting to be heard by the committee.

Any student who is found to have engaged in a repeated act of Academic Dishonesty (in a different course than the original act and regardless of the term), or an act of Academic Dishonesty that involves other students, will be considered a violation of the Student Code of Conduct. The violation could be referred by the Academic Hearing Committee to the Dean of Student Services or designee for adjudication.

WARNING: STUDENTS MAY NOT WITHDRAW FROM A CLASS TO AVOID A FAILING GRADE RECEIVED AS A OF ACADEMIC DISHONESTY.

Academic dishonesty including, but not limited to, unauthorized use of aids, cheating, fabrication, plagiarism, or facilitating academic dishonesty in the classroom or other college environments, as defined below:

Plagiarism

- Taking the words or specific substance of another and either copying or paraphrasing the work without giving credit to the source.
- Submitting a term paper, examination or other work written by someone else.
- Failure to give credit in a footnote for ideas, statements of facts or conclusions derived by another.
- Failure to use quotation marks when quoting directly from another person, whether it is a paragraph, a sentence or even a part thereof.
- Similar and extended paraphrasing of another.

For more information to help you understand and recognize plagiarism, please refer to the [Library Guide](#).

Cheating

Using unauthorized notes, study aids, or information from another student or student's paper on an in-class examination; altering a graded work after it has been returned, then submitting the work for regrading; and allowing another person to do one's work and to submit the work under one's own name or otherwise not following the rules or instruction to gain an advantage.

Fabrication

Presenting data in a piece of work not gathered in accordance with guidelines defining the appropriate methods for collecting or generating data and failing to include a substantially accurate account of the method by which the data were generated or collected.

Aiding and Abetting Dishonesty

Providing material or information to another person with knowledge that these materials or information will be used improperly pursuant to Florida Statutes 877.17 (1).

Forgery

Altering documents affecting academic records; forging a signature of authorization or falsifying information on an official academic document, election form, grade report, letter of permission, petition, or any document designed to meet or exempt a student from an established College academic regulation.

Final Course Grade

The evaluation of academic work is the responsibility of the faculty member. The method for assigning the final course grade is established by the faculty member. Per Board Rule 6Hx118-3.191, faculty shall communicate the grading policy of the course to their students in writing via the course syllabus at the beginning of each course. If there are changes to the syllabus, the faculty member should be issuing an addendum, which becomes part of the syllabus.

The final course grade appeal is **NOT** to be used to review the judgment of a faculty member in assessing the quality of the student's work. Grounds for final grade appeals shall be evaluated in terms of the standards established by the faculty member as stated in the syllabus. Criteria for an appeal are:

- An error in the calculation of the grade, **or**
- The assignment of a grade was a substantial departure from the faculty member's previously printed standards in the course syllabus.

Appeal Process

If a student believes their final course grade was awarded in error or was a substantial departure from the standards contained in the course syllabus, the student should contact the instructor via email immediately after the final course grade appears on their transcript. (Grades posted to Blackboard are not considered final.) **All informal discussions about final grades must be initiated within 5 business days beginning with the first day of the following academic semester, Fall or Spring.** The timeline is very important. If the professor is not available, the student should contact the professor's supervisor. The student should keep copies of the course syllabus and all other work such, as exams, quizzes, homework, an in-class assignments. If resolution is not reached, the student may ask for a formal review of the final grade. Students requiring ADA accommodations need to contact the Center for Accessibility Services to coordinate support throughout the conduct process.

Request for a Formal Review of Final Course Grade

1. A request for a formal review must be **submitted in via the [Request for a Formal Review of Final Course Grade](#)** the faculty member's associate dean (or equivalent or designee) **within 15 business days of the beginning of the following academic semester.** A written request for a formal review is required and must include:
 - a. The specific complaint, clearly stated;
 - b. All relevant course information including syllabus, exams, homework and other graded work;
 - c. A statement of the resolution that the student is seeking.
2. **Within ten (10) business days of receipt of the student's appeal,** the associate dean (or equivalent or designee) will review the appeal and notify the student, faculty member, and dean of academics of their decision through the College email.
3. If the student does not agree with the decision in Step 2, they may appeal to the Campus Final Course Grade Appeal Committee by contacting the Dean of Academic Affairs. **The appeal must be to the committee chairperson within five business days following the receipt of the associate dean's (or equivalent or designee) decision.** Within five business days of the receipt of the student's appeal, the committee chairperson will convene the committee. The committee will first review the relevant documentation and decide by majority vote whether is sufficient new evidence to require a formal hearing. If no formal hearing is required, the associate dean's decision will stand, and the committee chair will inform the Dean of Academic Affairs who will then inform the student and faculty member. If the committee decides that there is sufficient new evidence to hold a formal hearing, the committee chairperson will notify all the hearing participants by College email. The student, faculty member, and associate dean may appear before the committee. Within fifteen (15) business days of the committee hearing, the chairperson will notify the dean of academic affairs of the committee's written recommendation.
4. Within five business days of receipt of the committee's recommendation, the dean of academics will notify the student, faculty member, associate dean (or equivalent or designee) of their decision through the College email. The decision of the dean of academic affairs is FINAL and cannot be appealed.
5. The dean of academic affairs may extend any of the timelines specified above if extenuating circumstances make this necessary. (For example, if faculty were unavailable during the summer term.)

Note: Please refer to www.palmbeachstate.edu/academicaffairs/final-grade-appeal website

for student final course Grade Appeal Forms.

Campus Final Course Grade Appeal Committee

Who will be on the committee?

The campus academic dean shall select the members for the Campus Final Course Grade Appeals Committee. If a campus has Health Sciences and/or Public Safety programs, the campus academic dean shall also select the members for a Final Course Grade Appeals Committee for each of these program areas.

Unless otherwise required by program accreditation, the committee shall be composed of five persons including two students, two faculty, and one administrator. In addition, alternates may be identified. Faculty, staff and students who are directly involved in the case may not serve on the committee. The academic dean shall select one of the committee members to serve as chairperson.

What role will the chairperson have on the committee?

- Facilitate the hearing process, only voting in case of tie.
- Call the hearing to order and introduce all members present.
- Explain to the student and all participants the way the hearing will be conducted.
- Maintain proper decorum and order.
- Ensure that the student and the faculty have the opportunity to testify and present evidence.
- Ensure that all available relevant evidence is presented and that the recommendation is based upon the appeal criteria, evidence, and any testimony given.
- Call a recess at her/his discretion.

What will happen during the hearing?

- Opening remarks will be given by the chairperson.
- The student will present any evidence supporting the appeal.
- Faculty will present their evidence regarding the grade.
- A participant may direct questions through the chairperson only; no direct questioning will occur.
- At the conclusion of the hearing, the participants will be excused, and in closed session, a recommendation will be rendered by a majority vote.

How will the committee make its recommendation?

The process for determining the outcome of the hearing is called deliberation. This process involves a review of the criteria, evidence and testimony, discussion and a vote. The committee will use the preponderance of evidence standard to determine whether the grade should stand or be changed. The chairperson will ensure that only evidence presented at the hearing itself may be considered in reaching a decision and that the committee adheres to the standards of confidentiality. A recommendation will be delivered via College email within five business days to the campus academic dean.

How will the dean of academic affairs notify all their decision?

Within five business days of receipt of the Final Course Grade Appeals Committee's recommendation, the campus academic dean will notify the student, faculty, and committee chairperson through College email of their decision. The decision of the campus academic dean is **final**.

Standards of Academic Progress

Good Academic Status: Students who are not on academic probation or dismissal from the college are considered in good academic status.

Academic Probation: Students in credit programs must maintain a cumulative grade point average* (CGPA) of:

- 1.4 or better for 1-14 semester hours attempted
- 1.6 or better for 15-27 semester hours attempted
- 1.8 or better for 28-45 semester hours attempted
- 2.0 or better for over 45 semester hours attempted

*The college administration will continually assess the impact of the academic progression policy and make adjustments as necessary to the academic probation grade point average table above. It is anticipated that the cumulative grade point average to remain in good academic standing will increase in the future.

Therefore, it is imperative that students meet with an academic advisor on a regular basis to discuss academic success issues and support services and carefully plan their academic program.

Note: *Financial Aid Standards of Progress are different from these standards and are listed in the Student Financial Aid section of this Handbook.*

Probation will be continued as long as the student fails to achieve the standard CGPA for the number of hours attempted (see table above). Probation will be calculated at the end of each term. Transfer students whose CGPA does not meet the standard for good academic status will enroll on academic probation. Any student on academic probation will be limited in course load to a maximum of 12 semester hours during the fall, spring and summer terms and must maintain a 2.0 term GPA or achieve good academic status. Students who don't achieve these minimums will be placed on academic suspension.

Students on academic probation are required to meet with an academic advisor prior to registering for subsequent terms. Academic advisors are authorized to limit the number of hours and types of courses taken by students on academic probation. Academic probation is noted on the student's permanent record.

Academic Suspension. Academic suspension is the first involuntary separation. Academic suspension results from a student's failure, while on academic probation, to regain good academic standing or achieve a minimum 2.0 term grade point average (GPA). Suspension requires the student to stay out of school for one semester to reflect on their academic goals and level of commitment to education. Academic suspension is noted on the student's permanent record. Students readmitted after an academic suspension will be on academic probation and must meet with an academic advisor prior to registering for classes.

Academic Dismissal. Academic dismissal is a subsequent involuntary separation imposed upon a student who, having been previously suspended from the College and readmitted, fails to regain good academic status or achieve a minimum 2.0 term grade point average (GPA) for each academic term. Academic dismissal requires the student to stay out of school for one full calendar year to reflect on their commitment to education and to make any necessary changes to facilitate future success. Academic dismissal is noted on the student's permanent record. Students readmitted after being academically dismissed will be on academic probation and must meet with an academic advisor prior to registering for classes. [Guidelines for Reinstatement from Academic Dismissal.](#)

Notes:

1. *Students on academic suspension or dismissal are eligible to enroll in PSAV and avocational courses.*
2. *Financial Aid Standards of Progress are different from these standards and are listed in the Student Financial Aid section of this Handbook.*
3. *Students attending Palm Beach State as "Transient Students" (see Catalog for full definition) must adhere to the Code of Conduct and Disciplinary regulations.*

Non-Degree Status

Students who have been admitted for credit course work may classify themselves as non-degree seeking (credits will be granted for completed courses). The non-degree status may be used only in those cases where it is not necessary for the student's previous academic records to be on file. The non-degree status shall not be used with degree-seeking, certificate-seeking students, students seeking any type of financial aid (Social Security, veteran benefits, federal grants, etc.), or by international students on an F1/M1 visa. Non-degree-seeking students are not eligible for financial aid. Non-degree-seeking students may be required to submit placement scores in order to register for certain courses. Please see the Course Listing section of the College Catalog or speak with an academic advisor.

Students are required to declare a degree status prior to beginning their 22nd credit hour of enrollment. Students with an associate degree or higher are exempt from the 21-hour requirement provided they show proof of previous degree. Students wishing to appeal the 21-hour non-degree-seeking requirement must speak with their campus registrar.

Fourth-Attempt Override Appeal Procedure

Students who fail to pass a course after three attempts may file an appeal to take the course a fourth time, based on illness or some other emergency beyond the student's control that prevented the student from successfully completing the subject area within three attempts. Each request must be accompanied by appropriate documentation of the condition on which the request is made. Students must contact the Office of Academic Advising to schedule an appointment with the designated fourth-attempt appeals advisor. Decisions on fourth attempts are determined by the Dean/Assistant Dean of Student Services, Dean of Bachelor's Programs or their respective designee. Submit the [Fourth Attempt Appeal](#) Form to the Office of Academic Advising on any campus. Palm Beach State does not permit fifth attempts, and this may not be appealed.

Required Documentation: Supporting documentation must accompany fourth attempt appeal requests based on a College action or personal emergency. The following documentation is required:

- **Death of an immediate family member** -- Documentation of the death and the student's relationship to the deceased. Immediate family members are limited to spouse, child, parent and sibling.
- **College change or error** -- A letter from the appropriate College official documenting the situation in which the College was in error or initiated an action that caused the student to have to withdraw.
- **Employment** -- A letter on company stationery indicating that the student's employer changed their work schedule (listing old and new work schedule) and that this change prevents the student from completing the term.
- **Medical** -- A letter from the student's physician or health care agency specifically indicating an illness of such severity or duration that the student cannot continue in a course(s). The letter must include dates of the illness and treatment.
- **Military Service** -- Documented involuntary call to active military duty.

100 Percent Payment of the Full Cost of Instruction

Students will be assessed the full cost of instruction (equivalent to out-of-state tuition), for the third and fourth attempts of a college credit or college preparatory course. This rule impacts only those students whose fee assessment is based on in-state residency. Students may not withdraw from the third or fourth attempt in any course.

Appeal of the 100 Percent Payment of Full Cost of Instruction: Students who fail or withdraw from a course two times due to extenuating circumstances and wish to reenroll in the course may appeal the 100 percent payment rule to the campus registrar. Appeals must include copies of supporting documentation and completion of the form available in the Registrar's Office. The campus registrar shall determine the validity of the circumstances of the appeal and grant an exception only

once for each class, if merited. All appeals will be considered on an individual basis. Extenuating circumstances are those determined by the College to be exceptional and beyond the control of the student, which may include, but are not limited to:

- documented serious illness/medical condition preventing completion
- death of an immediate family member (father, mother, sister, brother, grandparent, or guardian)
- call to active military duty
- documented change in conditions of employment
- other emergency circumstances or extraordinary situations, such as national disasters
- documented financial hardship (Criteria for determining financial hardship shall include, but not be limited to, qualifications for federal need-based financial aid.)

Late Add Requests

All requests to have a course added (1) after the end of the add/drop deadline, (2) prior to the end of the academic term, or (3) after course was dropped from student's schedule should be submitted to the campus registrar.

Late Withdrawal Requests

All requests for a withdrawal (1) after the end of the withdrawal deadline or (2) after the completion of the term should be submitted to the campus registrar by completing a Late Withdrawal Request form, located online at [Refund Request Form](#).

The request form must be accompanied by appropriate documentation of the condition on which the request is based. Requests for late withdrawals within the current term, and up to the anniversary date of your request, are adjudicated by the campus registrar. **Students will be notified by college email of the decision, and decisions will be based on the documentation provided.** All other requests are adjudicated by the College-Wide Appeals Committee.

Students who are granted a withdrawal through this process shall receive a "W" in their classes and shall not be eligible for a refund of fees unless a College error or responsibility is involved. Please note that requests will not be granted or appealable beyond one calendar year from the term in question.

Required Documentation: Supporting documentation must accompany late withdrawal requests based on a College action or personal emergency. The following documentation is required:

- **Death of an immediate family member** -- Documentation of the death and the student's relationship to the deceased. Immediate family members are limited to spouse, child, parent and sibling.
- **College change or error** -- A letter from the appropriate College official documenting the situation in which the College was in error or initiated an action that caused the student to have to withdraw.
- **Employment** -- A letter on company stationery indicating that the student's employer changed their work schedule (listing old and new work schedule) and that this change prevents the student from completing the term.
- **Medical** -- A letter from the student's physician or health care agency specifically indicating an illness of such severity or duration that the student cannot continue in a course(s). The letter must include dates of the illness and treatment.
- **Military Service** -- Documented involuntary call to active military duty.

Health-Related Withdrawal Process

College can be stressful for many students. Some students are able to adequately cope with stress, while others may find that it becomes unmanageable and interferes with learning. In a few instances, stress may affect a student's physical or emotional condition interfering with the student's learning; this has the tendency to result in significant risk of harm to the health and safety of the student or others or may even disrupt the learning of others. When one or more of these situations happens, a

student may not know that the College is here to offer guidance and assistance in supporting the student in making an appropriate decision, for the College and the student, in seeking a health-related leave or withdrawal from the College.

A health-related withdrawal may be initiated by any student with a serious health problem who, in the opinion of the attending physician or therapist, cannot complete coursework. All such requests will be reviewed and approved by the campus registrar. To return to the College, the student must present evidence that the health problem no longer interferes with the successful completion of college coursework. Health related withdrawals will be processed by the Campus Registrar.

- Maintain documentation or record of any concern
- Formally participate in any grievance processes or

Introduction

The College acknowledges the obligation to afford each student the opportunity to develop his or her educational potential while retaining free exercise of rights and freedoms as a citizen or resident of the United States. College policy and procedures ensure equality of opportunity to all students and the attendant requirement of orderly operation of the educational processes including adherence to academic honesty and the health, safety and welfare of all persons within the College community. Each person within this community will assume the obligation of self-conduct to act in a manner consistent with a respect for the right of others and with the College's function as an educational institution that encourages diversity of thought, expression, participation and enrollment.

Students' rights under College policy and procedure include:

1. **The right** to educational programs that meet the learning outcomes of the class syllabus, to teaching consistent with those learning outcomes and to a learning environment that encourages the students' engagement with their education.
2. **The right** to be informed by the faculty/instructor near the beginning of each semester/course regarding requirements, evaluation procedures and evaluation criteria to be used, and the right to expect that those criteria be employed.
3. **The right** to take reasonable exception to the data and views offered in any course of study; the students are, however, responsible for learning the content of any course of study in which they are enrolled.
4. **The right** to be evaluated based solely on relevant academic criteria.
5. **The right** to request and receive timely assessment of their academic work by the faculty/instructor teaching the course.
6. **The right** to request and receive a reasonable and timely review of their grades by the faculty/instructor teaching the course.
7. **The right** to be informed of the correct procedures to apply for financial aid, attendance policy, types of aid available, how financial need is determined, criteria for awarding aid and how academic progress is determined and what has to be done to continue receiving financial aid.
8. **The right** to information under the Federal Campus Security Act (Clery Act) regarding annual disclosure of campus crime statistics and other security information.
9. **The right** to file a complaint.
10. **The right** to information about retention and completion in each of the academic programs. This information is available at the College Navigator website maintained by the National Center for Education Statistics, www.nces.ed.gov. The availability of this information satisfies the federal disclosure requirement for this information.
11. **The right** to the outcome of any disciplinary hearing against the student who is the alleged perpetrator of the crime or offense, providing the student is the alleged victim of a violent crime or a non-forcible sex offense. If the alleged victim is deceased as a result of the crime or offense, Palm Beach State will provide results of the disciplinary hearing to the victim's next of kin, if so requested.

Americans with Disabilities Act/Section 504

Students with disabilities enjoy the same rights and privileges as all other students as mandated by Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act (ADA) Act of 1990 which prohibits educational institutions from discriminating against an individual based on disability. Individuals with disabilities are entitled to reasonable accommodations and right to privacy as to information regarding a disability. Such information shall only be immediately accessed by the Center for Student Accessibility (CSA) staff. Students who apply for services from the CSA office will be fully informed as to how this information will be used. The use of information will be limited to only that which is needed, usually to ensure that the College provides reasonable accommodation(s) to the student. Family Education Rights and Privacy Act

Security of Student Records

DEFINITION - STUDENT RECORDS

Educational records, including records, files, documents or other materials which contain information directly related to the student, are maintained by the College. These include but are not limited to, applications, test scores, transcripts, photos and correspondence. All received transcripts and documents are the property of the College and may not be copied or transmitted to third parties, except in accordance with state law.

INSPECTION OF RECORDS

Eligible Persons

In compliance with the Family Educational Rights and Privacy Act (FERPA, also known as the Buckley Amendment), student records at the College (located in the Office of the Registrar) are open for inspection only by the student and, as per FERPA guidelines:

- School officials who have a legitimate educational interest as defined by college policy;
- State educational authorities;
- Federal and state officials representing state or federal programs;
- Persons having written authorization for release;
- Officials in compliance with judicial orders.

Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll, or where the student is already enrolled so long as the disclosure is for purposes related to the student's enrollment or transfer.

Viewing the Records

- Permanent records are never permitted out of the Office of the Registrar.
- Students may view their transcripts from other institutions but may only obtain an official copy of the record. It is recommended that the student request a copy from the institution from which the transcript originated.
- Students may make an appointment to view their records at the counter in the presence of Registrar's Office personnel.

REQUESTS FOR COPIES OF RECORDS

- ❑ Palm Beach State College transcripts are released only upon written consent of the student.
- ❑ If a student cannot have access to the record, i.e., if he/she lives too far away (minimally outside of Palm Beach County) or extenuating circumstances exist, students may request copies of their records through written requests to the campus registrar. The request must specify the types of records to be copied. The registrar will comply with a request for a meeting and/or copies in a reasonable timeframe (no more than 30 business days), depending upon the complexity of the records requested and the time during the term in which the request is received.
- ❑ Students will pay a fee of 50 cents per page, up to 49 pages, then \$1 per page thereafter for any approved copies of their records.
- ❑ Subpoenas of student records must be issued by a court of competent jurisdiction and specify the type of records being requested. A fee of \$35 will be charged per subpoena. Those requesting records by subpoena must allow sufficient time (at least 10 business days) for the affected student to be notified prior to the issuance of records.

RETENTION OF RECORDS

Student records will be maintained for a maximum of five years from the student's attendance. Certain documents, such as grades, will be maintained longer in accordance with state archiving and records retention laws and the College Registrar Records and Retention Schedule.

STUDENT DIRECTORY INFORMATION

The College abides by federal and state regulations regarding the privacy of student records and complies with the laws regarding access procedures.

The Federal Education Rights and Privacy Act (FERPA) requires each institution to determine "directory information" that may be released without the student's consent, unless the student has specifically requested that some or all of the information not be released. Palm Beach State has classified the following as directory information:

- Student name
- Personal email address (non-institutional)
- Dates of attendance (session dates only)
- Major field of study
- Weight and height of members of athletic teams
- Degrees and awards received
- Educational institution attended

If a student does not wish to have the directory information released, the student must complete and submit a non-disclosure. The non-disclosure form is located on PantherWeb. (Log into PantherWeb at the top of your screen.)

STUDENT RECORDS AMENDMENT APPEAL PROCESS

If a student believes there is inaccurate, misleading information in the permanent record which is otherwise in violation of the student's privacy rights, the student should contact the Registrar's Office to arrange a hearing.

A hearing will be conducted according to FERPA.

- ❑ The hearing will be within a reasonable period of time after the request is received.
- ❑ The student shall be given notice of date, place and time reasonably in advance.
- ❑ A written decision shall be made by the registrar within a reasonable period of time after the hearing. The written decision and summary shall be based on evidence presented and reasons for the decision.

Freedom of Expression Act

Outdoor areas of Palm Beach State College campuses may be used for expressive activities as long as no state or federal laws are violated, the participant's behavior does not violate PBSC policy nor materially and substantially disrupt the functioning of the College or infringe upon the rights of others to engage in expressive activities. Outdoor areas include grassy areas, walkways, or other similar common areas. Areas where expressive activities are prohibited include the area within and the surrounding fifty (50) feet of any College building or structure, or any other restricted area on campus. Moreover, "material and substantial disruption" of any previously scheduled event or activity is also prohibited.

Material and substantial disruption includes, but is not limited to: hindering the flow of vehicular or pedestrian traffic; obstructing entrances and exits from buildings or parking structures/lots; violating any applicable law; threatening other individuals in a manner that an objective reasonable person would interpret as a serious expression of intent to cause present or future harm to an identifiable person or group of persons; utilizing sound amplification except as specifically permitted by the College; or obstructing or attempting to physically force the cancellation or continuance of a speaker.

Members of the public who wish to use the College campus for commercial purposes must register with the scheduling office on the specific campus they wish to access and must abide by applicable Federal and State laws and College policies and procedures.

Intellectual Property Rights

The College encourages an intellectual environment whereby the creative efforts and innovations of its students can be encouraged and rewarded. The College, therefore, does not claim ownership rights to the intellectual property created by students in the scope of their attendance except where the student has utilized substantial resources of the College in the development of the work beyond those resources commonly provided to students for production of publications or class projects.

Intellectual property is meant to include both traditional forms of intellectual property, such as student publications, class project outcomes and student papers, as well as non-traditional intellectual property such as, CD, DVD, Web Pages, applications, computer programs, TV courseware, or other electronically recorded materials. All such intellectual property remains the property of the authoring student. However, the College retains an interest in said property by virtue of the College's assistance and support for its development, production and dissemination and shall have reasonable access to and use of the intellectual property for such purposes as student evaluation and reproduction in exercising its administrative duties.

Religious Observances

The College shall make reasonable accommodation in admissions, class attendance, scheduling of examinations, and work assignments in regard to religious observances, practices and beliefs of individual students, as required by the applicable state and federal law. Students are required to notify instructors and other appropriate College personnel in writing, at least one week prior to an anticipated religious observance. If the holiday falls during the first week but after the first day of class, students shall notify their instructors of the reasons for their absences on the first day of class. If the holiday falls on the first day of class, students shall notify their instructors of the reasons for their absences at the next class meeting.

A student who exercises his religious observance and is denied accommodations may appeal in writing to the supervisor of the faculty or staff member who denied the request by submitting the Student Resolution Request Form within five business days from the time of the denial. If the student is not satisfied with the determination at this level, an appeal may be made to the next level of academic management. The maximum time between each appeal and response will be five business days.

The student may appeal to the Dean of Academic Affairs for a committee hearing if the student is not satisfied with the results of the preceding steps. The committee, to be appointed by the Vice President of Academic Affairs, will hear the facts and provide a recommendation to the Vice President, whose decision on the matter shall be final.

Students are responsible for all material covered during their approved absence. The approval shall detail a reasonable period for the student to complete missed work and make-up assignments. When possible, major class assignments, examinations, and official ceremonies, shall not be scheduled on major religious holidays.

Title IX Rights

Palm Beach State College shall provide an educational environment free of sexual harassment and discrimination based on sex. Sexual harassment; a form of sex discrimination; is not tolerated by Palm Beach State College.

Student Responsibilities

Philosophy

Palm Beach State College is committed to fostering a campus environment that is conducive to academic inquiry, a productive campus life and thoughtful study and discourse. The Student Code of Conduct and conduct process is educational and developmental in nature, balancing the interests of individual students, as well as the interests of the College.

Our College community exists on the basis of shared values and principles. At Palm Beach State College, students are expected to uphold and abide by certain standards of conduct that form the basis of the Student Code of Conduct. Each member of the College community bears responsibility for their conduct and assumes reasonable responsibility for the behavior of others.

The student conduct process at Palm Beach State College is not intended to punish students; rather, it exists to protect the interests of the College community and to challenge those behaviors that are not in accordance with our policies. Sanctions are intended to challenge students' moral and ethical decision-making and to help them bring their behavior into accord with our community expectations. When a student is unable to conform their behavior to community expectations, the student conduct process may determine that the student should no longer share in the privilege of participating in this community.

Palm Beach State College protects and promotes its interests and objectives, which are essential to its effectiveness. These include (1) maintenance of the opportunity for students to attain their educational objectives; (2) the creation and maintenance of a stimulating, intellectual and educational atmosphere free of intimidation throughout the College; (3) protection of the health, safety, welfare, property and civil rights of all members of the College; and (4) protection of property of the College. The College has responsibility in the area of student conduct to protect and promote the pursuit of its goals as outlined above. The College's approach to student conduct emphasizes the College's obligation to foster inclusion, equity, tolerance, independence, maturity and responsibility in students.

Palm Beach State College governs its members using fair and nondiscriminatory measures of conduct including, but not limited to, their academic work, College-related social activities, communications and social media. Behavior that deviates from these measures will be addressed in accordance with the procedures outlined in this handbook.

Authority

When students attend the College, they become subject to its jurisdiction. Students are expected to conduct themselves in a responsible manner in all areas of college life. By enrolling, they agree to obey the rules and regulations of the College and are responsible for observing all Board of Trustees' policies and procedures as published in the Student Handbook, College Catalog and other College publications. *Palm Beach State College Code of Student Conduct is adapted from The NCHERM Group Model Developmental Code of Student Conduct and is used here with permission.*

All alleged student violations of the Code of Conduct of the College should be referred to the campus dean/assistant dean of student services or designee, or campus security, or other College representative. This includes any infractions by a College student organization.

The dean/assistant dean of student services or designee is responsible for the administration of procedures falling under their jurisdiction.

The dean/assistant dean of student services or designee investigates the accusation. The dean/assistant dean of student services will maintain all disciplinary files.

The College reserves the right to take interim disciplinary action to protect the safety of the campus and welfare of the College community pending completion of an investigation and/or conduct hearing. The College conduct procedures are designed to ensure reasonable protection of both parties and a fair determination of the facts and provide due process in the application of appropriate sanctions.

Jurisdiction

The jurisdiction of the Student Code of Conduct extends to all College locations, off-campus sites hosting a College event, class or other gathering, College-sanctioned social networking sites and College-sanctioned student travel, including clinical, volunteer or internships. Additionally, the College reserves the right to impose sanctions based on any student conduct, whether part of a program or not, regardless of location, that may adversely affect the College community. In the event of a violation of the College Code of Conduct, the College Student Conduct Procedures shall apply.

The Student Code of Conduct may be applied to behavior conducted online, via email, or through other electronic formats. Students should also be aware that online postings such as blogs, web postings, chats and social networking sites or applications are in the public sphere and are not private. These postings can subject a student to allegations of conduct violations if evidence of violations is posted online. The College does not regularly search for this information but may act when such information is brought to the attention of College Officials.

Prior to a temporary suspension, notice of the infractions may be given to the student verbally, in person or telephonically. A hold is placed on the student's record until such time as the charges are resolved. Written notification, within one business day, will be delivered to the student's College email address.

The student will be notified, via email, as to the date, time and location of the conduct review session. A conduct summons is issued, which will be hand delivered, sent via email and/or sent via certified letter to the mailing address listed on the student record of the responding party.

The Dean may elect to issue a verbal warning or request the responding party sign a behavior agreement without filing formal conduct charges.

Failure to schedule an appointment with the dean or designee within a week of being issued the summons may result in a temporary suspension, prohibiting the responding party from attending classes or participate or attend any College activity until an appointment has been scheduled. A hold may be placed on a responding party's record preventing them from registering for classes, receiving grades or receiving transcripts.

the witnesses or otherwise pursue a defense, this will not equate to forfeiture of their right to remain silent provided that the responding party does not offer personal testimony in defense. Any personal testimony offered may be considered by the committee.

- Where several persons are alleged to have been involved in an incident, the dean or designee will determine if separate hearings will be held.
- Pending a conduct hearing, the responding party will be permitted to attend class and otherwise participate in College activities, except in the case of a temporary suspension.
- The conduct hearing committee will determine if a violation of the student code of conduct has occurred by the preponderance of the evidence presented.

Formal Complaint Procedure

This complaint process is intended to provide a fair, prompt and objective determination about whether a Title IX violation has occurred. The reporting party and the responding party will be equitably treated with dignity, courtesy, sensitivity and understanding and will not be prejudged or blamed for what occurred. The College will take all reasonable steps to prevent unnecessary or unwanted contact or proximity between both parties. Supportive measures will be made available as appropriate to both parties.

Students requiring ADA accommodations must contact the Center for Accessibility Services to coordinate support throughout the conduct process.

Reports made in bad faith may be subject to student conduct charges provided that a determination regarding responsibility, alone, is not the basis for concluding any party made a false statement.

The Dean of Student Services may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances.

Retaliation against anyone involved in a complaint will not be tolerated and may result in student conduct charge being filed against the person retaliating based on items 13 and 20 of the Student Code of Conduct.

Notification of Formal Complaint

A conduct summons is issued to the responding party in person, by email and/or certified letter to the mailing address listed on the student record of the responding party. This notification will be sent with sufficient time in advance of the first meeting to prepare a response. This notification will include:

- a. Names of the parties involved, if known.
- b. Date, time and location of the alleged incident, if known.
- c. Name of the investigator and the date, time and location of the first interview.
- d. Statement that respondent is presumed not responsible, noting that any determination of responsibility will be made at the conclusion of the process.
- e. Right to have a hearing advisor of their choice, with a request for the contact information prior to the first interview, and a description of what the hearing advisor's role is.
- f. Statement referencing Student Code of Conduct item 20 regarding making false statements.
- g. If any new allegations arise from the investigation, parties will be notified.
- h. Statement regarding any basis for dismissal and referral for other remedies.
- i. No notation will be made on the responding parties' transcript.
- j. Copy of the governing policy 6Hx-18-5.86.

Failure to attend the initial appointment with the investigator may result in a temporary suspension for non-compliance, prohibiting the responding party from attending classes or participate or attend any College activity until the interview has occurred. A hold may be placed on a responding party's record preventing them from registering for classes, receiving grades or receiving transcripts.

Investigation

An investigation will be conducted by the Assistant Dean of Student Services at the campus the responding party attends. Investigations involving an employee as the responding party will be conducted by a representative from Human Resources.

The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rests on the College and not on the parties.

This investigation will include, but is not limited to, an initial interview with each person involved (this interview may be digitally recorded); visual inspection, copying, photographing or otherwise preserving text, emails, social media post, voice messages and any other type of documentation or media relevant to the investigation. If medical/psychological documentation is provided by the parties, it will only be used with the providing parties' permission.

Any persons thought to have information relevant to the complaint shall be interviewed, and such interview shall be appropriately documented, including by digital recording. It is expected that interviewees would cooperate in providing all requested information.

Either party may provide witnesses for interview or other documentation that may support their statement.

Students are permitted to discuss the case with others, in an effort to gather evidence to provide the investigator. This does not include interaction between the reporting party and the responding party. The investigator assigned to the case will make those inquiries on the party's behalf.

Parties' hearing advisors may review any documentation being discussed with that party and may also be present at all meetings.

Prior to the completion of the investigative report, copies of any evidence obtained as part of the investigation that is directly related to the allegation raised in the formal complaint will be provided to each party and their hearing advisor for review and comment. The parties will have 10 business days to submit a written response. The investigator will consider any relevant comments prior to completion of the investigative report.

The College must send an investigative report that fairly summarizes relevant evidence to each party and the party's hearing advisor at least 10 business days prior to a hearing for the party's review and written response.

The investigator will provide written notice of any interview or meeting necessary to each party and their hearing advisor, three business days in advance, to allow the parties sufficient time to prepare.

The relevant evidence summarized in the report will include both inculpatory (documentation that may be contrary to a party's statement) and exculpatory (documentation that supports a party's statement) evidence.

If the investigation shows that the evidence does not support a Title IX violation, both parties will be notified of the dismissal of the Title IX complaint and why. Also, the parties will be notified that the investigative report will be turned over to the Dean of Student Services for review regarding possible Code of Conduct Violations not related to Title IX.

The College may also dismiss a complaint when

- A written request to stop the formal grievance process is submitted by the reporting party.
- The responding party is no longer enrolled or employed at Palm Beach State College.
- Specific circumstances prevent the gathering of evidence sufficient to reach a determination.

Formal Title IX Hearing

Parties will be notified; via email, 10 business days prior; of the date, time and location of the hearing. This notification will include the final investigative report and supporting documentation. Certified mail will also be sent to both parties. Redactions may be included as necessitated by FERPA.

Hearings may be conducted virtually if necessary, or if in person, either party can request to be in a separate room with remote audiovisual connections to facilitate cross-examination. The conduct hearing is a non-adversarial proceeding and is intended to be fact-finding.

Students must have a hearing advisor present to conduct cross examination, but the hearing advisor may not otherwise participate in the proceedings.

All hearings are only open to those involved as determined by the dean or designee and or the chairperson.

The responding party has the right to hear from the reporting party and witnesses, to direct questions to the reporting party and witnesses through the committee chair, and to present a defense and witnesses on their own behalf. It is the responding party's responsibility to prepare their defense. Live testimony may be provided in person or via electronic means if approved by the dean or designee.

The College will make a recording and will notify all parties at the beginning of the hearing. The recording will be available within 72 hours following the hearing.

Failure to appear shall not be regarded as admission of responsibility.

Both parties will be subject to cross-examination by the other parties' hearing advisor.

Pending a conduct hearing, the responding party will be permitted to attend class and otherwise participate in College activities, except in the case of a temporary suspension or restrictions based on the supportive measures provided to the complainant.

Resolution of any situation not outlined in this process will be at the discretion of the dean of student services or designee.

Students requiring ADA accommodations, for the hearing, must contact the Center for Student Accessibility.

The investigative report and all evidence will be provided to both participants for reference during the hearing.

Title IX Hearing Committee

The Student Conduct Coordinator shall initiate the formation of a Title IX Hearing. The committee shall be composed of five persons including two students and three faculty/instructor/ staff. Where possible, alternates will be identified. Faculty/instructors, staff and students who are directly involved in the case, have an affiliation with any of the parties, or have any other bias or conflict of interest may not serve on the committee. The dean or designee shall select one of the committee members to serve as chairperson. All members serving on the hearing committee will be required to sign a confidentiality agreement.

The conduct hearing committee will determine if a Title IX violation has occurred based on the preponderance of the evidence presented by casting a vote.

Chairperson's Duties

1. Calls the hearing to order and introduces all parties present.
2. Explains the manner in which the hearing will be conducted.

3. Reads the charges being considered.
4. Maintains proper decorum and order, dismissing any person who impedes or threatens to impede a fair and orderly hearing.
5. Ensures the committee adheres to standards of confidentiality as provided for in state and federal law (i.e., Family Educational Rights and Privacy Act).
6. Ensures both parties have the opportunity to provide testimony and witnesses and relevant evidence.
7. Facilitates cross-examination for both parties' hearing advisors.
8. Ensures all available relevant evidence is presented, that questions during cross-examination are relevant and that the decision is based solely upon the evidence and any testimony given at the hearing.
9. The committee chairperson is a neutral party and shall facilitate the hearing process, only voting in the case of a tie.
10. The chairperson may call a recess at their discretion or at the request of either party.

During the Hearing

- Opening remarks will be given by the chairperson detailing the procedure and rules of the hearing. The chairperson will also read the notice of violation.
- Each party will be asked to present their perspective including any witnesses, reports or documentation.
- Each party's hearing advisor will conduct cross-examination of the other party through the hearing committee chairperson.
- Any witnesses can be recalled, if available, by either party or the committee chairperson.
- A summary statement will be given by each party before the conclusion of the hearing.
- At the conclusion of the hearing, the participants will be excused, and in closed session, a decision will be rendered by a majority vote of the committee.

Committee Deliberation

The process for determining the outcome of the hearing involves a review of the documentation, consideration of testimony, and a vote. The committee will decide the matter based on the preponderance of the evidence presented to determine whether a Title IX violation has occurred. The preponderance of the evidence is when it is more likely than not that the violation occurred.

- Only evidence presented at the hearing itself may be taken into account in reaching a decision.
- The committee may consider the prior conduct history of the responding party in determining sanctions. The Dean of Students Services will determine if the parties prior conduct history is relevant and provide the information to the hearing committee chair once a determination has been made.
- Findings and sanctions will be delivered by the committee chairperson to the dean or designee, who will notify both parties simultaneously via College email, if applicable, within two business days and in writing to the address on record within five business days.

This determination will include:

- the allegations constituting sexual harassment,
 - a timeline of the steps taken from receipt of the formal complaint through the determination,
 - findings of fact that support the determination
 - conclusions regarding the application of the College's code of conduct to the facts
 - a statement of, and rationale for, the result as to each allegation including a determination regarding responsibility, any sanctions imposed on the responding party, and whether remedies provided for the reporting party. (See list of possible sanctions in the Student Conduct section above.)
 - procedures for either party on how to appeal the determination.
- The dean's office will maintain findings, including any supportive measures, sanction(s) to be imposed and supporting documentation for seven years.
 - No transcript notation will be made to the respondent's transcript if responsibility is determined.

Appeal of the Outcome of a Hearing

If either party disagrees with the determination, an appeal may be made to the Vice President of Student Services and Enrollment Management or designee within 10 business days of receipt of the results of the hearing. Grounds for appeals are as follows:

- 1) a procedural error occurred that significantly impacted the outcome of the hearing or sanction;
- 2) consideration of new evidence, unavailable during the original investigation that could substantially impact the finding or sanction (a summary of this new evidence and its potential impact must be included);
- 3) the sanction imposed is substantially disproportionate to the severity of the violation, and
- 4) either the party believes there was an abuse of discretion, conflict of interest or bias on the part of either the Title IX Coordinator, investigator or hearing panel member(s).

Once an appeal is filed the other party will be notified immediately, so that party may also supply a statement to the Vice President.

The Vice President of Student Services and Enrollment Management or designee shall issue a written decision within 10 business days of receiving the request to both parties. This decision may include an affirmation of the findings and sanctions, or reduced or increased sanctions, or offering a different finding and or sanction. The decision will also include the rationale for the decision.

Vice President of Student Services and Enrollment Management or designee has discretion in determining whether a sufficient reason was stated for an appeal and may dismiss the appeal if it is found to be insufficient.

The decision of the Vice President of Student Services and Enrollment Management or designee is final.

Upon completion of the investigation a written report will be prepared and provided to both parties. The report shall include a summary of the complaint and a summary of the evidence. Parties can offer additional information or challenge the report, resulting in conversation with the investigator to determine the relevancy of any new information. A copy of this report will be provided to both parties for review and commentary before the report is sent to the Title IX coordinator and the campus dean of student services or designee as appropriate by the investigator. During the investigation either party may request to review documents in the investigation file.

The decision-maker(s) for the appeal will not be the same as the decision-maker(s) that reached in the initial determination regarding responsibility or dismissal which shall include the investigator, or the Title IX Coordinator.

Should the respondent retaliate or issue threats as a result of the complaint, the following process may be followed.

Temporary Suspension

In the case of a Title IX Violation, the responding party may be temporarily suspended if the Panther Care Team determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. The Campus Dean of Student Services is notified to facilitate the temporary suspension.

Prior to a temporary suspension, notice of the infractions must be given to the student verbally, in person or telephonically. A hold is placed on the student's record until such time as the charges are resolved.

The student will be notified, via email, as to the date, time and location of the conduct review session. A video conference will be conducted if the student is unable to be present or at the discretion of the Dean of Students or their designee for campus safety concerns. During the session with the Dean, the student will be notified of the pending conduct charges and the reason for the temporary suspension; the student will also have an opportunity to discuss the information presented, ask questions and provide information to the Dean regarding the incident. If the student is not satisfied, they may submit an appeal via email to the Vice President for Student Services and Enrollment Management, who will respond within 3 business days.

If the appeal is denied, the Dean's office will continue with the conduct process outlined below to resolve the matter.

If the appeal is upheld, the temporary suspension will be lifted, and the student may return to class. The Dean or designee may elect to place other restrictions on the student until the conduct process is complete.

Refunds

The refund schedule is based upon the dates listed in the registration calendar that appears in the College Catalog and on the website. No refunds for the current term will be issued until the add/drop period for the term is completed. All refunds are subject to the recovery of debts/obligations owed to

the College. Refunds are issued on a regular basis throughout the semester. Refunds are issued in accordance with the method of payment. Payments made by credit card will be credited back to the most recent credit card used for payment. Students who paid with a check or cash will be issued a refund check or direct deposit. Without exception, all checks are mailed. It is the student's responsibility to maintain a current address on their student account through PantherWeb or the Registrar's Office.

Any student who officially withdraws from the College or reduces their course load prior to the end of the published add/drop period is automatically eligible for a full refund of refundable fees after the session's add/drop period has ended. No grade is recorded on the student's transcript. No other refunds are granted except in those cases where a student withdraws from classes due to a personal emergency beyond the student's control as identified below.

Refund Appeal Process

Requests for refunds after the official add/drop period of the course(s) should be submitted to the campus registrar by completing a [Refund Request form](#). The request form must be accompanied by appropriate documentation of the condition on which the request is based. Approved refunds will be computed on a pro-rata basis. Students will be notified in writing of the decision, and decisions will be based on the documentation provided. If approved, a student's refund will be issued in accordance with the method of payment. Any financial debt/obligations owed to the College will be deducted from the refund. If the student is no longer attending, it is the student's responsibility to withdraw from the course(s). Submitting a refund form does not officially withdraw a student from a class or the College. Please note that requests will not be granted beyond one calendar year from the term in question.

Required Documentation: Supporting documentation must accompany refund requests based on a College action or personal emergency. The following documentation is required:

- **Death of an immediate family member** -- Documentation of the death and the student's relationship to the deceased. Immediate family members are limited to spouse, child, parent and sibling.
- **College change or error** -- A letter from the appropriate College official documenting the situation in which the College was in error or initiated an action that caused the student to have to withdraw.
- **Employment** -- A letter on company stationery indicating that the student's employer changed their work schedule (listing old and new work schedule) and that this change prevents the student from completing the term.
- **Medical** -- A letter from the student's physician or health care agency specifically indicating an illness of such severity or duration that the student cannot continue in a course(s). The letter must include dates of the illness and treatment.
- **Military Service** -- Documented involuntary call to active military duty.

Direct Deposit of Financial Aid Payments and Refunds

Students can choose to have refunds/financial aid funds that are due back to them automatically deposited with their financial institution. Direct deposit reduces the risk of those funds being lost or delayed. Students can elect this option by logging on to PantherWeb.

In the top yellow navigation bar, under My Financials>Sign-up Options, select Direct Deposit. Students will then be prompted to enter their bank account information. Any changes or modifications to the direct deposit information is the responsibility of the student. Changes or modifications that are made on the same day refunds/financial aid disbursements are processed will not be in effect until the following business day.

Important Taxpayer Information

Internal Revenue Service regulations §1.6050S-1 require the College to annually submit to the IRS Forms 1098-T for certain students who may be eligible for tax credits. The IRS requires a Social Security Number (SSN) or Taxpayer Identification Number (TIN) when submitting tax related information. You may be eligible for tax credit. Your SSN or TIN is required. The College cannot guarantee any particular tax effect nor provide any advice related to IRA tax filing. Your SSN is also required if you intend to use a Florida Prepaid Account. If you fail to furnish your SSN or TIN to the College AND we are required to produce a 1098-T form, you can be subject to a **\$50 penalty** allowable by IRS regulations. If the College does not have a current SSN or TIN on file, please make sure you submit [Form W-9S](#) to your campus Admissions Office to avoid possible penalties. Help ensure the information reported by the College is accurate by supplying this information

Returned Check Fees

According to Florida Chapter § 832, (giving worthless checks, drafts, and debit card orders, etc.), the College may charge the following fees:

- Worthless checks up to \$150.00 constitute a first-degree misdemeanor.
- Worthless checks over \$150.00 constitute a third-degree felony.

The College reserves the right to take necessary actions against those check writers including processing through the appropriate State Attorney's Bad Check Restitution Program, and by assessing fees allowable by law as follows:

- Checks under \$50.00 will be charged \$25.00.
- Checks from \$50.00–\$299.99 will be charged \$30.00.
- Checks from \$300.00–\$800.00 will be charged \$40.00.
- Checks over \$800.00 will be charged 5 percent of the check amount.

Students who have presented two returned checks will no longer be allowed to pay by personal check. All fees are subject to change.

Collection Costs

Students who fail to pay any balance owed to the College on a timely basis will be referred to an outside collection agency and subsequently reported to any credit bureau as part of the process as authorized in Florida Statutes 1010.03. Collection costs associated with any individual account balance that were referred to a collection agency will be passed on to the student. Additional collection costs can substantially increase the debt you owe to the College; so, please be mindful of any billing or past due notices sent by the College in order to prevent your account from becoming delinquent.

GENERAL ELIGIBILITY REQUIREMENTS

1. Students must have a standard high school diploma or GED.
2. The student must be enrolled at the College as a degree-seeking or certificate-seeking student, in an eligible program of study to receive a financial aid award. Only courses which apply to the student's degree at the College may be used to determine enrollment status for federal and state aid programs. **Courses not part of the program will not be counted towards financial aid.**
3. Students can receive funding from only one school at a time; however, students may be considered under the consortium/ transient agreement to have award amounts adjusted if they qualify for dual enrollment. See the campus Office of Financial Aid for details.
4. Students in default on a federal direct loan, overpayment status, or exceeding aggregate loan

limits are ineligible for federal and state financial aid until the account issue is resolved. Please see the campus Office of Financial Aid nearest you.

5. Finally, as always, eligibility for financial aid depends upon meeting the Standards of Satisfactory Academic Progress (SAP). Please visit the Financial Aid webpage for additional information on SAP. Students must meet SAP to be eligible for Financial Aid. What is Satisfactory Academic Progress? See SAP policy on FA TV: <https://pbstate.financialaidtv.com/play/54455-satisfactory-academic-progress-sap/39632-what-satisfactory-academic-progress-sap-and-how-does-it-apply-me>
6. Students who are registered for remedial courses can only receive financial aid for up to 30 remedial credits. Seek financial aid advisement to determine how remedial courses relate to ensuring Satisfactory Academic Progress and the 150 percent of maximum timeframe.

IMPORTANT STUDENT RESPONSIBILITIES

Complete all classes for which you are registered each term and/or understand academic policies and dates relating to dropping courses or withdrawals; be responsible for any unpaid charges following the deduction of all financial aid funds, external payments or similar awards.

What happens if I withdraw from all my classes?

When a student withdraws, or his/her enrollment is otherwise terminated, the College will not only calculate the amount of tuition/fees that will be refunded to the student (if any), but also the amount of federal financial aid (aka "Title IV") that must be returned to the Federal Student Aid Programs (if any). This process is referred to as "Return to Title IV" (R2T4). The calculation of R2T4 has no relationship to the tuition and fees that the student may be charged by the College. The R2T4 calculation is performed using forms and/or software compliant with the U.S. Department of Education guidelines. Please meet with a Financial Aid advisor before completely withdrawing from all your courses and learn how R2T4 will impact future attendance at the College.

Financial Aid Disbursement

Disbursement of financial aid awards to students begins in September for the fall term, late January for the spring term, and June for the summer term. Awards are disbursed when the student has submitted all required information and/or documentation and meets all eligibility criteria, including the Standards of Academic Progress for Financial Aid recipients. Also, disbursement will only occur when your professor or instructor has submitted proof of your attendance.

Disbursements will continue throughout the semester for eligible students. If the total amount of aid disbursed for the term exceeds the cost of tuition, fees and books (if any), the student may receive a financial aid refund after all tuition, fees and book charges are paid in full and the credit balance is obtained.

Direct bank deposit is highly recommended and is available to all students. The sign-up form is available on PantherWeb, www.palmbeachstate.edu/PantherWeb.

Enrollment Status

Financial aid awards are subject to change depending on the student's enrollment status at the time of disbursement; this excludes courses that are not yet in progress. For the purpose of awarding and adjusting financial aid, the following chart is used to determine the enrollment status for financial aid recipients. Most financial aid programs permit part-time enrollment status.

Status	Credit Hours Required
Full-time	12 or more
Three-quarter time	9 to 11
Half-time	6 to 8
Less than half-time	1 to 5

- *Certificate students enrolled in a clock hour program are considered full-time. Attendance is a federal requirement for students enrolled in Clock Hour programs. Instructors must also take attendance and report it to Financial Aid before authorization to disburse grants and loans are made.*

Gainful Employment

Palm Beach State College has voluntarily elected to adopt the early rescission of the 2014 Gainful Employment regulations in their entirety in accordance with the Department of Education, June 28, 2019 Electronic Announcement #122. This declaration is effective June 28, 2019 and has been recorded in the School's official records.

Veteran Services

Upon enrollment, veterans and veteran-dependents are required to pay all regular fees and charges like other students. The exceptions are Chapter 33 (based on benefit percentage) and Chapter 31 students (disabled veterans under vocational rehabilitation). Any VA student may receive one deferment per academic year to pay their fees by completing the [Veterans Deferment Application and Payment Agreement](#). Veterans who choose to defer their fees and fail to pay by the due date will be treated like other students who fail to pay fees. Upon certification by the College and Veterans Administration, an educational allowance is paid monthly to the student for training time computed as follows:

Educational Allowance

Veterans Affairs Allowance		
Time	Regular Term	6-Week Session
Full	12 hours or more	4 hours or more
3/4	9-11 hours	3 hours
1/2	6-8 hours	2 hours
Fees Only	15 hours	1 hour

Students claiming benefits and eligible to receive a monthly benefit check should be prepared to meet their expenses in full for the first two or three months prior to receipt of their first VA check. When eligibility is established, checks usually arrive by the 10th of each month.

Standards of Progress for Student Veterans

Palm Beach State College has established the following standards of progress for all veterans or

eligible persons receiving VA benefits to comply with Veterans Administration regulations:

1. Complete academic records are maintained on each veteran who is certified as eligible for benefits under the public laws. The records must show continuous pursuit of a degree and the rate at which progress is being made. They include final grades in each subject for each term, record of withdrawal from any subject to include the last day of attendance for a course and record of enrollment in subjects from which there was a withdrawal.

Center for Student Accessibility

Palm Beach State College complies with all laws and regulations applicable to qualified individuals with disabilities as required in Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. It is the responsibility of the student to request accommodations by registering with the Center for Student Accessibility (CSA) and to provide appropriate documentation from a qualified clinician in support of the request for services. Students must confer with CSA each term, as appropriate accommodation may vary from course to course. The Center for Student Accessibility will prepare accommodation notices which will be provided to the student or instructor at the student's request.

The College is committed to ensuring that students with disabilities who rely on service animals can have access to all public areas, attend classes, and participate in campus activities. The entire service animal policy can be viewed at <https://www.palmbeachstate.edu/security/animal-policy.aspx>

Admission and Graduation Substitutions for Students with Disabilities

In compliance with Florida Statutes, sections 1007.264 and 1007.265, eligible students with disabilities shall be considered for reasonable substitutions or waivers with regard to admission and graduation requirements, provided that the inability to fulfill the requirement is due directly to the disability, that appropriate accommodations will not result in success, and where the substitution will not constitute a fundamental alteration in the nature of the program. Eligible students include, but are not limited to, students documented as having a hearing impairment, including deafness; a visual impairment, a specific learning disability, an orthopedic impairment, a speech or language impairment; an emotional or behavioral disability, autism spectrum disorder, traumatic brain injury, intellectual disability or other health impairment.

Students must formally submit a written request for a substitution and/or waiver to their campus Center for Student Accessibility manager. Documentation of a disability, which includes evidence that the failure to meet the requirement is related to the disability, must also be provided. Students may appeal a substitution denial or a determination of ineligibility to the vice president of academic affairs, who will review the case and make a recommendation to the president. This appeal must be initiated within 45 days of the student's notification of the committee's decision. In accordance with Rule 6A-10.041(3), the College will accept all substitutions previously granted by other state postsecondary institutions.

Florida Shines (FloridaShines.org)

FloridaShines.org is Florida's official college advising website. Find information on Florida's state universities and colleges and their programs. You can apply for financial aid and scholarships online, as well as explore the College transfer process and Florida institution transient process, access career planning, and review academic transcripts. FloridaShines does not substitute for regular meetings with an academic advisor.

Graduation

Graduation is an automatic process, streamlining the necessary steps for students and ensuring that their transcripts reflect the degree or certificate earned. Each term, during the months of October (Fall), March (Spring) and June (Summer), the College will conduct a preliminary review of each currently enrolled student's degree audit. Students who will be "100% program complete" at the end of the term will be eligible for graduation. An email will be sent to eligible students informing them of their graduation status and inviting them to participate in the commencement ceremony. For further information, please go to www.palmbeachstate.edu/Graduation.

Student Activities

The Department of Student Activities promotes student engagement through numerous co-curricular opportunities on and off campus. Students can enhance their college experience by participating in social events, diversity awareness programs, intramural sports, club sports, leadership development, student government and volunteer opportunities. Students may take a break at any of the Student Activity Center locations and play billiards, video games, cards, surf the net or just stop by and chill for a while.

Due to Covid-19, changes in Student Activities will be made to adhere to CDC guidelines and college procedure.

Students are encouraged to visit their campus Student Activities Office for a list of upcoming events and a current list of campus organizations:

Student Government

The Student Government Association (SGA) is the official voice of the student body and an important link in the College's endeavors to ensure a positive learning environment. Participation in SGA provides many opportunities for involvement at the local, district and state levels of student government through the Florida College System Student Government Associate (FCSSGA). SGA aims to achieve positive advancements for students, promote civic engagement, and facilitate smooth working relationships among students, administration, faculty/instructors and staff. Each year, officers are selected to make up the Executive Board, which plans the SGA's activities. To find out if you are eligible to apply for an officer position, or to join SGA, contact your campus Student Activities Office.

Model Legislature

Palm Beach State Model Legislature program is a college-wide program open to all of our students on all campuses to encourage them to get involved and learn more about how their state government works so they can become more informed and more engaged. As part of the program, students are trained in how the legislative process works—how laws are actually made, how the House and Senate operate, how committees work, how bills are written, debated, and voted on, and the role of the governor in the legislative process. Participants have an opportunity to attend a statewide Model Legislature conference for more training with students from other colleges around the state. For more information, contact Student Life at 561-868-4008 or visit Lake Worth, BA/302.

Math Olympics

Math Olympics provides a meeting place for students who enjoy math. Math Olympics promotes problem-solving skills through the preparation for and participation in events such as the Florida Math Olympics and the AMATYC Math league. Activities include field trips to engineering firms and other related businesses, guest speakers and tutoring sessions held by the Math Olympics Team for the general student population. If you would like more information about the team, contact Professor Roy Boulware at 561-207-5216.

Student Organizations

Get involved! Palm Beach State College is host to a wide variety of social, faith-based, special interest, academic, service, and Career-oriented campus organizations. The College offers more than 100 clubs and organizations, which provide students personal, interpersonal and organizational development. All clubs and organizations are open to all currently enrolled Palm Beach State students

Can't find a club for your interest? Start your own. Visit the Student Activities website to find the criteria and link to charter a new club at the college. To be an active member of a student club, students must have a minimum 2.0 grade point average.

All procedures for clubs can be found in the Student Activities Manual available on the [Student Activities website](#).

Student Participation in Institutional Decision Making

The College encourages student participation in institutional decision-making. One important means of influence in the governance of the College is the Student Government Association on each campus. These associations have an open door to the president and other administrators of the College. The SGAs on each campus act as liaisons to college administrators for student issues and concerns.

Each student organization develops a budget request for the organization and submits it through the campus budgetary process. Upon approval of the budget, the organization is responsible for submitting requests for expenditures in accordance with the accounting procedure of the College. In general, students are responsible for the operation and programming of their respective organizations.

Students are also invited to participate on the Student Activity & Service Fee Committee, Conduct Committees, District Diversity Council and other committees as appropriate.

Moreover, on occasion, students are given the opportunity through opinion questionnaires to evaluate various College programs and activities. Information obtained through this process is of significant value in making operational decisions.

Student Trustee

In keeping with the College's commitment to student involvement, Palm Beach State has established a student position on the District Board of Trustees. This position is non-voting and designed to ensure that student issues and concerns are represented. Students interested in serving in this capacity must apply for the position. To be considered, a student must meet the following criteria:

- At least a 3.0 cumulative grade point average;
- Two letters of recommendation (one letter must be from a faculty/instructor and one letter can be from a faculty/instructor or staff member);
- A typewritten essay on why he/she wishes to become a student trustee.

Applications are available at the end of the spring term. A committee makes a final selection through interviews in July.

For more information, students may contact the Executive Assistant to the District Board of Trustees at 561-868-3502.

Intercollegiate Athletics

Palm Beach State College has achieved national recognition and high status among state colleges for its strong support of athletics and its outstanding achievements in athletic competition. The College offers students the opportunity to participate in the following sports:

Men: Baseball, Basketball

Women: Volleyball, Basketball

All student athletes must meet standards of academic progress as defined by the National Junior College Athletic Association (NJCAA), Florida Community College Activities Association (FCCAA), and the College. Intramural by definition means “within the walls,” and therefore all teams/individuals that participate are affiliated with the College. A few examples of intramural sports are open gym for basketball, volleyball, flag football, soccer, bowling, and table tennis. No matter what your skill level, you will have a good time.

Campus Safety and Security

A Drug-Free Campus

The Federal Controlled Substances Act provides penalties of up to 15 years imprisonment and fines of up to \$25,000 for unlawful distribution or possession with intent to distribute narcotics. For unlawful possession of a controlled substance, a person is subject to up to one year of imprisonment and fines of up to \$5,000. Any person who unlawfully distributes a controlled substance, including alcohol, to a person under 21 years of age may be punished by up to twice the term of imprisonment and fine otherwise authorized by law.

Under Florida law, Palm Beach County and city ordinances, it is unlawful for any person to sell, purchase, manufacture, deliver or possess with the intent to sell, purchase, manufacture or deliver a controlled substance. A person who violates this provision is guilty of a felony of the first, second or third degree, which is partially determined by the type of drug and the quantity involved. Violators may be subject to the stiffest penalties available.

Under Florida law, the maximum penalty for trafficking specific amounts of cocaine or any mixture containing cocaine, including, but not limited to crack, is a first-degree felony punishable by life imprisonment without the possibility of parole. Under certain circumstances, such an offense is a capital felony punishable by death.

Based on the quantity involved, penalties for trafficking in illegal drugs including but not limited to the narcotics morphine, opium and heroin range from a mandatory imprisonment of three years and a \$50,000 fine to 25 years and a \$500,000 fine.

Based on quantity involved, other penalties for trafficking in illegal drugs including but not limited to marijuana, inhalants, depressants and other stimulants range from five years' imprisonment and a \$5,000 fine to 30 years imprisonment and a \$15,000 fine.

Further, it is unlawful for any person to use or to possess with intent to use or deliver drug paraphernalia.

It is unlawful for any person to sell, purchase, manufacture or deliver, or to possess, with the intent to sell, purchase, manufacture or deliver a controlled substance on or within 200 feet of the real

property comprising a public or private college, university or other postsecondary education institution.

For further information, please consult Florida Statutes, Chapter 893, and Palm Beach County and local city ordinances.

Alcoholic Beverages

The legal age for drinking alcoholic beverages is 21 in Florida. Selling, giving or serving alcoholic beverages to persons under 21 is unlawful. Possession of alcoholic beverages by persons under age 21 is prohibited by Florida law. The minimum penalty is 60 days in jail or a \$500 fine. Alcoholic beverages include, but are not limited to, beer, wine, distilled spirits, wine coolers and liqueurs. Students are prohibited from possessing, selling or using alcoholic beverages on campus or at any College function.

It is unlawful for any person to misrepresent or misstate his or her age. This includes the manufacture or use of false identification. Use of altered identification for the purpose of procuring alcoholic beverages is a misdemeanor. Use or possession of a counterfeit license or identification is a felony.

It is unlawful to drive while under the influence of alcohol or other drugs. Penalties range from a mandatory suspension of a driver's license for 90 days to fines up to \$500, to hours of community service, to imprisonment for six months. Students shall be subject to appropriate disciplinary action by the College authorities.

In accordance with applicable state and federal laws, students who are under the age of 21 and are found responsible for a drug or alcohol violation may have notification regarding the violation and sanction sent to their parent(s), legal guardian and/or guarantor. Such notification will occur on the first drug violation.

Such notification may occur after the first alcohol offense if the mitigating circumstances justify parental notification. Additionally, the applicable persons will be notified if a student is provided emergency medical transport.

Smoking on Campus

Smoking is prohibited in all College facilities and vehicles, including but not limited to, all buildings and portions of buildings owned or leased by the College, including, without limitation, atria, entryways and enclosed hallways within buildings. Smoking is permitted only in the parking lot(s) and in designated smoking areas established by the Provost and facilities. Failure to adhere to the policy may result in disciplinary action.

Children on Campus

Palm Beach State faculty/instructors and staff assume no responsibility for minors not officially enrolled at the College. Minors not officially enrolled at the College are prohibited from using College facilities except with the permission of a faculty/instructor, supervisor or other College official.

Any unaccompanied minor who creates a disturbance or appears to be lost and unattended shall, for their safety, health and welfare, be put in the care of the supervisor of campus security or an appropriate College administrator to locate a responsible person for the minor.

Faculty/instructors and staff are forbidden from entertaining on campus their own minor children or

children for whom they are responsible who are not enrolled at the College. This prohibition does not deny entry of minor children to campus activities to which they are officially invited.

Restraining Orders -- Court Issued

Students who have obtained a restraining order should provide the campus Security Office and the campus dean/assistant dean of student services with a copy. College personnel will assist the students in providing as safe an environment as possible.

Violators of restraining orders properly filed with the College will be referred to local law enforcement for removal from campus.

College Issued No Contact Order

In order to provide reasonable protection for our students, College administrative restraining orders are issued by the campus dean/assistant dean of student services when a student provides written notification of harassment or stalking by another student. A student who receives a College administrative restraining order is required to abide by its directions or face disciplinary action. College administrative restraining orders do not take the place of civil or criminal restraining orders issued by the court; students are urged to pursue this avenue of protection as well. Students who receive a restraining order may discuss their options with the dean/assistant dean of student services. A no contact order is imposed as an interim measure. If the investigation does not support continued enforcement, it may be lifted through written notification to both parties.

Sexual Offender/Predator Policy/Procedure

Pursuant to the Federal Campus Sex Crimes Prevention Act, and Sections 775.21, 943.0435 and 944.607, F.S., the Florida Department of Law Enforcement is required to notify PBSC when a convicted sexual offender intends to seek or maintain admission. Sexual offenders who are approved for admission will be asked to meet with a representative of the Department of Student Services to assure that they do the following:

- Carefully follow the PBSC Student Code of Conduct and any other conditions required as part of the admission process;
- Not enter or come within the proximity of any PBSC childcare or child development center;
- Not seek College-sanctioned volunteer experiences on or off campus where children are involved.

Student Accident (Education/Training) Insurance

Palm Beach State College students who are enrolled in classes that may result in injury during training or clinical experience situations (e.g., in certain Criminal Justice, Health Sciences, Public Safety and Trade & Industry programs) are responsible for all medical and/or personal expenses resulting from treatment of any such injury. To assist with this expense, all students in covered programs are covered by Student Accident (Education Training) Insurance coordinated by the College and paid for by the student as part of the course registration fee.

Firearms on Campus Policy for Law Enforcement Officers Attending Palm Beach State

Law enforcement officers in uniform may carry their weapon in view. Officers in civilian clothes are encouraged to carry their firearm concealed and/or follow their employing department's guidelines on the carrying of firearms on or off duty.

Emergencies

Accident/Incident: Call 911 immediately for medical emergencies. Report all incidents involving accident, illness or injury as well as those involving property damage or theft to the Security Office.

Emergency-related information should be directed to the campus Security Office

Palm Beach State College allows visitors and guests on campus and at certain campus activities. Guests and visitors are expected to conduct themselves appropriately while on campus. Guests and visitors who do not maintain appropriate conduct will be asked to leave by Campus Security. Failure to leave when requested may result in a trespass order being issued by the local law enforcement agency. Anyone wishing to appeal such a request or trespass will need to contact the Security Supervisor at the campus.

Campus Security

All Palm Beach County ordinances and Florida laws apply to the campuses and facilities of Palm Beach State College. The College has adopted policies, rules and regulations to provide security for the students, staff, visitors and buildings. Security officers are stationed at all campus locations.

Campus Crime Awareness

Jeanne Clery was 19 years old when she was raped and murdered in her college dormitory. Her parents, Connie and Howard Clery, could not have known the danger she was in; standards for campus crime reporting simply did not exist in 1986. In compliance with the Federal Crime Awareness and Campus Security Act of 1990, **The Clery Act, is a consumer protection law that aims to provide transparency around campus crime policy and statistics.** In order to comply with Clery Act requirements, colleges and universities must understand what the law entails, where their responsibilities lie, and what they can do to actively foster campus safety. The Palm Beach State College's Security Department has compiled the following Clery Act requirements:

- Annual Security Reports
 - The Clery Act requires colleges and universities that receive federal funding to disseminate a public annual security report (ASR) to employees and students every October 1st. This ASR must include statistics of campus crime for the preceding 3 calendar years, plus details about efforts taken to improve campus safety.
 - ASRs must also include policy statements regarding (but not limited to) crime reporting, campus facility security and access, law enforcement authority, incidence of alcohol and drug use, and the prevention of/response to sexual assault, domestic or dating violence, and stalking.
- Campus Crime Statistics
 - Institutions of higher education must include four distinct categories of crime in their ASR crime data:
 - Criminal Offenses
 - VAWA Offences
 - Hate Crimes
 - Arrests and Referrals for Disciplinary Action
- Daily Crime Logs
 - Wherever crimes occur, campus police and public safety departments must maintain a daily crime log of all reported crimes that fall within their jurisdiction. This crime log must be made available to the public during daily business hours.
- Timely Warnings

- When a crime covered by the Clery Act occurs, campus officials are required to evaluate if there is a serious or ongoing threat to the campus community to determine if a timely warning needs to be issued to all staff and students.
- In the event of an immediate, significant danger to the health or safety campus community (e.g. weather, disease outbreak), campus officials may issue an emergency notification. This notification can include the entire campus or be limited to a specific area deemed to be at risk.
- Sexual Assault & Prevention Info
 - Board Policy 6Hx-18-3.49, Sexual Predator or Offender Information Notification/Publication was adopted on March 11, 2003. This policy assures the college is following federal mandates. The FDLE webpage link is provided by the college to search for possible offenders by name (first and last), city, or zip code. There is an additional feature on the FDLE web page (under the University search function) that shows current students that are listed as offenders, by campus.

These requirements for The Clery Act can be found at www.palmbeachstate.edu/Security.

WHY?	<p>A threat of violence may include, but is no limited to:</p> <ul style="list-style-type: none"> • Active Shooter on campus • Hostage situation • Riot • Significant criminal or law enforcement activity in the neighborhood adjacent to the campus • Lockdown of nearby schools
WHAT DO I DO?	<p>When an announcement of initiation of Lockdown is made, the following must occur:</p> <ul style="list-style-type: none"> • Immediately cease all activity. • You may leave the campus if you believe it is safe to do so. • Otherwise, if outdoors, go into the nearest building and/or proceed to an area that can be secured. • In inside a building, enter the nearest classroom, office or secure space with locking capabilities. • Faculty/staff should look outside their classroom/office to direct any students or staff in the hallway into the room immediately. • Anyone in a hallway, restroom, gym or cafeteria should move to the nearest classroom or other secure area immediately. • Use Lockdown keys to lock doors to classrooms and offices from the inside. • Secure and lock windows of classrooms and offices and close window coverings. • Turn off lights and computer monitors. WHY?	The purpose of Shelter in Place is to use a building as a barrier between yourself and the phenomenon posing danger
WHAT DO I DO?	<ul style="list-style-type: none"> • Go inside as quickly as possible. • In the case of a tornado warning, avoid seeking refuge in auditoriums, gymnasiums and other buildings with large roof spans. Occupants of such structures should move into adjacent or nearby offices. • Move to an interior room with no windows on the lowest floor possible of the building using stairs, not the elevator. • Move to an interior stairwell or a hallway not directly connected to the outside if all rooms have windows. Otherwise stay away from windows and glass. • <u>Close and lock all windows</u> if you are in a room with windows. • Close window coverings (e.g. blinds, drapes, shades) if present and <u>if there is time.</u> • Close doors and lock them if so advised. Stay in the center of the room away from windows and doors. • Use the phone only for emergencies. • Stay in place until the danger has passed or until you are told it is safe by Security or law enforcement personnel or a College official.
